

*Spring is Here*

We are looking forward to brighter days ahead. Life is getting more “Normal.” We are grateful for the medical personnel and researchers who have helped make this possible. Dolly’s would also like to thank our friends and guests for trusting us to keep them safe over the past months. We appreciate your willingness to follow our safety protocols for masks, sanitizers, and hand washing.

For those of you we have not seen since the pandemic took hold and our new friends – we want you to be assured of our stringent and continuing efforts to follow CDC recommendations for your health and safety.
